The undersigned hereby make application to the Horton Highway Utility District of Rutherford, Williamson, and Marshall Counties Tennessee, for natural gas service and hereby certifies that he/she is the legal owner or leasee of the premises, located at \_\_\_\_\_ in \_\_\_\_\_, county Tennessee, and is empowered to make this application for gas service.

Applicant hereby requests the District for a gas connection between the gas system of the district and the property above described. Applicant agrees to avail himself/herself of the service of the gas system continuously from the time service is completed and to pay for the actual consumption or to pay the minimum charges, therefore and further agrees that he/she will observe and comply with all the regulations enacted by the District regulating the operation of the gas system, and that, he will pay promptly for services in accordance with the rate established as passed and published by the District. It is understood that charges for gas or service must be paid in full. Any legal or collection fees will be added to account if such fees are required on this account.

A connection fee of **\$50.00** which is non-refundable, non-transferable is due at the time-of-service application is presented. If customer is a renter, a **\$250.00** deposit will be collected plus a **\$50.00** connection fee. The charges for new construction are **\$3.00** per foot for a 3/4 inch service line from the gas main to the meter set, along with a non-refundable, non-transferable connection fee of **\$50.00**, and a non-refundable, non-transferable meter set fee of **\$75.00**. The district upon acceptance agrees to make complete connection from the gas main to the applicant's meter set as determined by Horton Highway Utility District. It is understood that a minimum bill shall be charged monthly.

Customer owned service lines: Any service line past the gas meter set is a customer owned service line. The upkeep, cathodic protection, and leaks of any kind, will be at the customer's expense. Horton Highway Utility District will be responsible for all upkeep and repairs to the meter set.

All applications must be returned. Failure to do so will result in disapproval of application.
